Huntington Hospital

Earning CME Credits from UpToDate using the EMR

Continuing Medical Education and Health Sciences Library

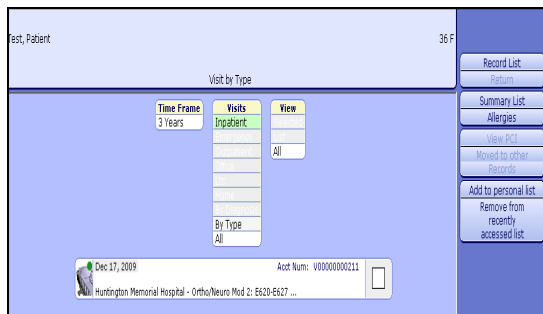

Steps to Access UpToDate within the EMR to receive CME's

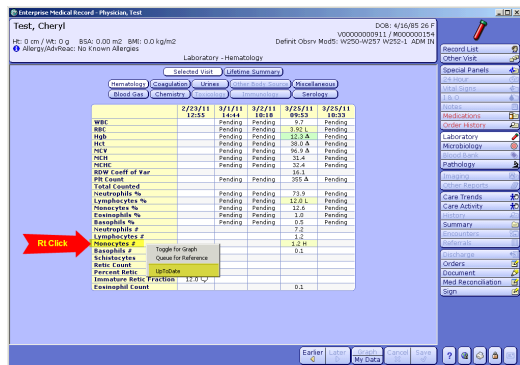

1. Log onto Meditech -> EMR

2. Select PATIENT -> Select patient VISIT

3. From selected Panels (LAB, RAD, MICRO, BBK, PATH, REPORTS) you can launch UpToDate by using your mouse to 'right click' on the test/description as shown in the example below:

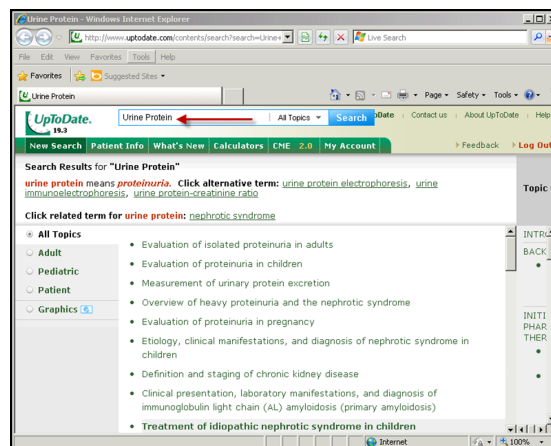

(on a MAC press the Control key and click on spacebar or mouse)

4. Click UpToDate from the drop-down menu.

****The first time you launch UpToDate from the EMR, you will be required to REGISTER. This will allow UpToDate to track your CME's for appropriate submission.****

5. You will be launched into the 'Topic' of your search (i.e. Urine Protein) as shown below.
6. When you open the specific Topic that you want more information about, UpToDate will

log 0.5 CME's per topic search. You will not earn credits if searching within the same topic.

7. When finished just click on the black 'X' in the upper right hand corner to return to the EMR.

****UpToDate registration instructions and how to redeem CME credits are available on SharePoint under Medical Staff Services and Health Sciences Library sites.**

FAQs:

- Once registered with UpToDate and a user name and password has been assigned you can log in from the Internet to redeem CME's
- You will still be able to use the Meditech 'external links' button to launch into UpToDate without accessing a patient.
- UpToDate must be accessed from the EMR, secure clinical system or portal in order to earn CME credit.
- Credits are organized by month and can be redeemed for up to two years.
- If you currently have an individual account, you can consolidate them.
