Literature Review and Search Workshop

Sponsored by the Evidence Based Practice/Nursing Research Council.

This class will cover how to perform a literature review and advanced search strategies in evidence-based databases to find relevant literature. Presented by Linda Searle-Leach, PhD, director of nursing research and innovation, and health sciences librarians, Louisa Verma, MLIS, and Julia Specter, MLIS.

People should attend who:
• Want to learn more about how to find, identify and analyze biomedical literature relating to clinical or research problems.
• Would like to participate in a journal club.
• Are returning or beginning a program to earn a BSN, MSN or other degree.
• Need a refresher. Repeat attendees are welcome!

Date: June 18, 2019
Time: 11 a.m. to 3 p.m.
Location: I.S. Room 1 (ground floor, Valentine Building)
